## **TRAIL RIDES**

---

### **LEVEL 1**

Our Level 1 ride is perfect for novice or out-of-shape riders looking to gain confidence and knowledge at a gentle walking pace. The ride is typically one hour in length, covering flat terrain through the meadows and trails surrounding the main ranch area.

### **LEVEL 2**

Our Level 2 ride is suitable for those that have some riding experience and want to ride a little longer, but remain at a walking pace for the duration of the ride. This 1.5 - 2 hour walking ride offers a variety of trail terrain, including subtle water crossing and hill climbs.

### **LEVEL 3**

Our Level 3 ride is great for those that have moderate riding experience and are comfortable picking up the pace to a trot. This two hour walk/trot ride offers a variety of trail terrain, including watercrossing, steep climbing and shallow ditch crossings.

### **LEVEL 4**

Our Level 4 advanced ride is designed for the experienced rider, who wishes to see more of the ranch's back country at a faster pace, if so desired. This 2.5 - 3 hour ride allows riders to walk, trot, lope, and jump across meadows, sagebrush, mountain trails and some water crossings. Pace changes will be at the discretion of the wrangler.

## **CATTLE DRIVES**

Our cattle drives offer a once-in-a-lifetime opportunity to work with our wranglers in gathering and moving cattle to different pastures on the Ranch. Just like the true cattle men who settled our country, this authentic 3-hour horseback ride will take you through various terrain as you move cattle to promote growth of the animals as well as maintain grass in each pasture area. Although there may not always be a large herd or cattle in the group, it is a necessary job of the Ranch to keep cattle well maintained and grass lands from being overgrazed. (Minimum age 12 years old)

## **TEAM PENNING**

Team Penning consists of a team of five working together to herd cattle through a series of challenging obstacles. This fast paced activity requires horsemanship skills, efficient communication, and a whole lot of teamwork. (Riders must be at least 12 years old to participate. Riders between 12 and 14 years of age will need to be evaluated prior to participating.)
